Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

The references cited on the attached form PTO-1449 are being called to the  
attention of the Examiner. A copy of each is enclosed.

It is respectfully requested that the cited information be expressly considered  
during the prosecution of this application, and the references be made of record therein and  
appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR §1.97(g) and (h), no inference should be made that the  
information and references cited are prior art merely because they are in this statement and no  
representation is made that a search has been conducted or that this statement encompasses all  
possible relevant information.
